Dear Ms Georgina:

Greetings from the Archdiocese of Cape-Haitian; many, many thanks from me personally. I hope everything is fine with you and that the Association 'Healthy Smiles for Haiti' is also doing fine.

By the way, I'd like to make known this wonderful Institution all over, for its so heartfelt and humanitarian work on behalf of the poor. May I recommend this genuine and marvellous Christian Organization to the good will and generosity of those who would like to be once in a while Good Samaritan for the neediest!

God bless you all! Have a Joyful and Happy Easter.
